

"Friendlier Products for a Safer Planet"

About Us...

AlfaKleen Chemical Laboratories, Inc. began producing biodegradable products in 1978, specializing in formulas designed for the United States Government, meeting tough military specifications.

Our products have been sanctioned by such organizations as GreenSeal, the United States Department of Agriculture, and the Food and Drug Administration, as environmentally safe products.

Our chemists are constantly forging ahead with new formulas and techniques that provide customers with the safest and most effective products, satisfying the consumers needs well into the 21st century.

If you have any questions, please do not hesitate to contact us.

*Sincerely,
John Calicchio
President*

"Friendlier Products for a Safer Planet"

AK-020, All-Purpose Green Degreaser, Concentrate

Our heavy-duty **GREEN** degreaser is specially formulated for use around your home, office, & industry. Use in the kitchen to get rid of greasy spills around the stove. Try it in your bathroom to get rid of soap scum and oily buildup. Great for use in your garage or workshop. **Has a Fresh Forest Fragrance!**

Safe for use on: Tile, marble, wood, metal, rubber, plastic, paint, vinyl, chrome, glass, fabric, cloth, upholstery, carpet, and more...

Instructions: Simply apply with mop, sponge, or submerge your desired product into a mixed solution. Allow to sit, then wipe, hose, or rinse off. Use electric scrubber for extremely soiled areas.

Dilution ratios: Use full strength for parts washer, 12-oz of CitrusMagic to 1-gallon of water for heavy strength, 1-oz of CitrusMagic to 1-gallon for light use. Experiment, to seek your own desired results.

Meets Mil Spec: MIL-C-10798, P-S-120B, C-87937

"Friendlier Products for a Safer Planet"

AK-011, ShowerMagic, Bathroom Cleaner

Tired of the claims made by store bought cleaners? When you get them home, it's the same old dissatisfying story. Well, AlfaKleen's ShowerMagic, shower & bathroom cleaner is **Guaranteed** to be the best, most effective, product ever made!

Formulated better to eliminate even the toughest soap scum, water scale, lime, and rust deposits. Extremely effective on concentrations of scum and oily dirt deposits in bathtubs, sinks and even on faucets. Just spray, let sit for a few minutes, then rinse off.

Cleans & shines glass, ceramic tile, porcelain, fiberglass & gives chrome & brass a renewed brilliance. **Mild scent. No gloves required!**

Safe for use on: Most tile & marble, fiberglass, chrome, & more...

Not for use on: chrome plated plastic.

Warning can dull some brass plating and some marble.

First test in an inconspicuous area.

Instructions: Spray onto the desired area. Let sit for a few minutes, then thoroughly rinse clean.

Dilution ratios: Use full strength

BIODEGRADABLE, Non-Flammable, Non-Abrasive

"Friendlier Products for a Safer Planet"

AK-024, CarpetMagic, Carpet Cleaner

For use in steam cleaners and cold water machines - CarpetMagic is a concentrated formula used for the deep cleaning of carpets, rugs, & upholstery. Excellent for pre-spotting at full strength.

For periodic spot cleaning, mix 20 parts water to 1 part CarpetMagic, pour into a plastic spray bottle, spray generously, then remove stain with towel. For stubborn stains, spray, use a brush, then remove stain with clean towel.

Safe for use on: Tile, marble, wood, metal, rubber, plastic, paint, vinyl, chrome, glass, fabric, cloth, upholstery, carpet, and more...

Instructions: Simply mix CarpetMagic with hot water. Pour into steam cleaner, or cold water cleaner and apply.

Mixing Ratios: 8-oz of CarpetMagic per 5-gallons of water.

Meets Mil Spec: MIL-A-A-59601B, MIL-PRF-680 type III
